Your Internship Journey – At a Glance

During this 4-week internship, you explored the real-world workings of the Business & Strategy career stream, worked on a project with practical relevance, and experienced collaborative and independent problem-solving. This report is designed to reflect your development across key skills relevant to real-world careers, based on mentor observations and peer feedback.

Focusing on these skill areas will help you cultivate the problem-solving, collaboration and self-management abilities highlighted by the WEF (World Economic Forum) as essential for next-generation legal and policy roles.

These skills align with globally recognized student learning frameworks, including the IB ATL (Approaches to Learning), Cambridge Life Competencies and NEP. Each skill is evaluated at one of three levels (Emerging, Developing, or Strong) accompanied by personalized suggestions to support further growth.

SKILL AREA ▶ **Conceptual Understanding****MENTOR RATING** ▶

Strong

FRAMEWORK

- **IB:** Thinking Skills
- **Cambridge:** Critical Thinking
- **NEP:** Knowledge & Understanding
- **WEF:** Analytical Thinking & Innovation

YOUR GROWTH SUMMARY:

You were sincere and attentive throughout, grasping concepts well. Even with your camera off in the first class, you stayed genuinely engaged.

SUGGESTED NEXT STEPS:

Keep bringing that same attentiveness to new material. Research or content-based work would suit your learning style well.

SKILL AREA ▶ **Problem Solving & Thinking****MENTOR RATING** ▶

Strong

FRAMEWORK

- **IB:** Transfer Skills
- **Cambridge:** Critical Thinking
- **NEP:** Reasoning & Problem-Solving
- **WEF:** Complex Problem-Solving

YOUR GROWTH SUMMARY:

Brought some structure to challenges and completed calculations correctly. Benefited from guidance when problems were more open-ended.

SUGGESTED NEXT STEPS:

Push further by asking questions of your own, not just answering them. This will deepen your learning further.

SKILL AREA ▶ **Research & Analysis****MENTOR RATING** ▶

Strong

FRAMEWORK

- **IB:** Research Skills
- **Cambridge:** Information & Media Literacy
- **NEP:** Inquiry-Based Learning
- **WEF:** Critical Thinking & Analysis

YOUR GROWTH SUMMARY:

Research or content-based internships would suit your learning style well. They'll let your focus shine further.

SKILL AREA ▶ **Collaboration & Teamwork****MENTOR RATING** ▶

Developing

FRAMEWORK

- **IB:** Social Skills
- **Cambridge:** Collaboration
- **NEP:** Interpersonal Relationships
- **WEF:** Leadership & Social Influence + Emotional Intelligence /Teamwork & Collaboration

YOUR GROWTH SUMMARY:

You're well spoken and show real promise as a future team player. There was limited opportunity to see this during the programme.

SUGGESTED NEXT STEPS:

Take up small leadership roles, like class monitor, to build visible teamwork experience. Public speaking would help too.

SKILL AREA ▶ **Communication & Clarity****MENTOR RATING** ▶**Strong****FRAMEWORK**

- **IB:** Communication Skills
- **Cambridge:** Communication
- **NEP:** Effective Communication
- **WEF:** Communication

YOUR GROWTH SUMMARY:

You are well spoken and answered every question clearly when called upon. Your responses reflected genuine understanding, not rehearsed answers.

SUGGESTED NEXT STEPS:

Put yourself forward for more public speaking engagements. This will build on an already genuine strength.

- **IB:** Self-Management
- **Cambridge:** Learning to Learn
- **NEP:** Self-Directed Learning
- **WEF:** Active Learning & Initiative

YOUR GROWTH SUMMARY:

You engaged sincerely and stayed on task throughout. Your mentor noted an opportunity to be more forthcoming with questions and initiative.

SUGGESTED NEXT STEPS:

Take on small leadership roles, like class monitor, as a starting point. This will make your initiative visible.

SKILL AREA ▶ **Professional Conduct****MENTOR RATING** ▶**Strong****FRAMEWORK**

- **IB:** Self-Management
- **Cambridge:** Social Responsibility
- **NEP:** Work Ethic & Ethics
- **WEF:** Self-Management

YOUR GROWTH SUMMARY:

You showed real sincerity and stayed engaged throughout, even facing a technical setback. Your consistent, on-task approach reflected genuine professionalism.

SUGGESTED NEXT STEPS:

Maintain this dependable, sincere approach. Pairing it with more visible initiative will round out your professional presence.

Feedback Summary

Sivabhargav was a sincere and on-task student throughout the internship, staying attentive and engaged even when facing a technical setback in the first session. He answered every question put to him and communicated clearly, reflecting a well-spoken and thoughtful approach to the material.

His mentor sees strong potential for him as a future team player, with room to grow in bringing forward his own questions and initiative. With more proactive engagement, Sivabhargav is well positioned to build on a genuinely promising foundation.
